Docket no. 4344 dated 5th March 1878. from the President Cantt: mll Coun^{ts}, Submitting the Proceedings of an ordinary meeting of the 20th ultimo.

No. 3959 of 15/5/78.

Order thereon.

The Chief Commissioner observes that the Resolution no. 2, ~~regarding the collection of license fees~~ of the 22nd that licenses for jutka and single bullock carts shall from 1st Apl next be collected annually instead of half-yearly as heretofore, is opposed to the provisions of sections 38 & 43 of the Regulations which permit such licenses being taken out once in 6 months. The fee on a jutka or single bullock cart is according to Schedule B 3 half-yearly, ~~as provided in Schedule A of the Regulations~~, and the Board cannot,

mr

Mr Saunders thinks, legally compel the owners to take out licenses once a year and collect the fees for 12 months in advance.

2. The President is requested to quote in whatever it may be practicable to do so future Resolutions the sections of the Regulations under which the matters referred to, have been disposed of, ~~whenever it may be practicable to do so.~~

that the repn. shall be made and the Rs. appd half yearly. The Explan restriction of the Board cannot therefore, I submit, be approved

The error was clearly made in the Office in drafting in order of 15 March in which Secs 38 & 43 were quoted instead of Sec 46. The former Secs refer to taxes on carriages. But the principle is precisely the same. Can it be maintained under S. 46 levy of Repn fee yearly instead of half yearly, when bumpers in two Khists of the year into one?

I think not

Reports on the collection of Jutka fees annually instead of half yearly.

In this Office No. 5748 dy 9th Dec 1872 sanction was applied for under s 36 of the Act to the imposition of a Repn fee of 12 as half yearly on Jutkas.

Govt of India sanctioned the proposal.

Now the Commr wants to levy the fee annually instead of half yearly in advance. The provisions of s 46 make it compulsory

Sir,

Your No: 3959 / ME 382 8/8 instant observing that the Board cannot legally compel the owners of Jutkas and Single Bullock Carts to take out Licenses over a year &

I have the honor with reference to the above to state, the Chief Commissioner appears to be under the impression that a tax is levied on Jutkas in accordance with section 38 Bangalore Municipal Regulations of 1871, on the contrary I beg to inform that no tax is sought to be levied on Jutka Carts but only a permission to collect the Registration or License Fee from the owners of Jutkas plying for hire Annually instead of half-yearly, the

license

Registration fee at present collected was
sanctioned by the Governor General in
Council in Letter No 24 R of 29 January 1873
as Communicated by the Secretary to the
Chief Commissioners in No $\frac{6381}{1326}$ of 12 Feby 73
the reason for seeking to adopt the annual
instead of the Half yearly system is to
prevent the annoyance and trouble now
complained of by the owners in having
to attend this office so frequent for the
renewal of their Licenses and to receive
fresh painted plates with numbers for
their vehicles and who would be glad to
exchange the present system for that now
proposed, the adoption of which would
also effect in this Offi a saving of labour
and ½ the Cost for plates for Numbers.
